APPROVAL..... OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of the Muddy River as heretofore granted under Proof No. 01643, Certificate No. 269, Muddy River Decree, is issued subject to the terms and conditions imposed in said Decree, and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not  
(1) 0.4143 c.f.s. (Summer)  
to exceed (2) 0.29 c.f.s. (Winter) cubic feet per second.....

Actual construction work shall begin on or before.....September 10, 1964.....

Proof of commencement of work shall be filed before.....October 10, 1964.....

Work must be prosecuted with reasonable diligence and be completed on or before.....September 10, 1965.....

Proof of completion of work shall be filed before.....October 10, 1965.....

Application of water to beneficial use shall be made on or before.....September 10, 1967.....

Proof of the application of water to beneficial use shall be filed on or before.....October 10, 1967.....

Map in support of proof of beneficial use shall be filed on or before.....October 10, 1967.....

Commencement of work filed.....

Completion of work filed.....

Proof of beneficial use filed.....

Cultural map filed.....

Certificate No.....Issued.....
